B3 cell line has been deposited with American *Type Culture* Collection, 12301 Parklawn Drive, Rockville, MD 20852 on July 14, 1994, as ATCC Designation HB 11685.--

#### AMINO ACID SEQUENCE INFORMATION

Insert the attached paper copy of the amino acid sequence information immediately before the claims, and adjust the pagination of the specification accordingly.

#### REMARKS

With respect to the Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures, the following statements are made to the extent possible:

In compliance with 37 CFR 1.821(e), a computer readable form is not required since the sequence listings in the computer readable form for this application are identical with the sequence listings on the computer readable form previously submitted to the U.S. Patent and Trademark Office in U.S. Patent Application Serial No. 08/100,496, filed on August 2, 1993.
